

Creation Is Topic of Christian Science Talk

"Is the Universe, Including Man, Evolved by Atomic Force?" This question will be the subject of the Lesson-Sermon in all Christian Science churches on Sunday.

Excerpts from the spiritual record of creation will include these Bible selections from Genesis (1:26,31), "And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. . . . And God saw every thing that he had made, and behold, it was very good."
