

### Methodist Ministers Receive Appointments at SW Conference

The reading of appointments, an historic Methodist tradition, climaxed a crowded, week-long schedule at the Southern California Arizona Conference of the Methodist Church at the University of Redlands last week.

Appointment changes for 136 Methodist ministers and reappointments for others were announced by Bishop Gerald Kennedy of Los Angeles at the conference's 112th meeting.

A new appointment in this area was that of Harold N. Byrn to the Harbor City church. Re-appointed were: Gilbert S. Zimmerman and associate, Edward D. Goodell, to the First Methodist Church of Torrance; Hans Holborn, Riviera Methodist

Church; and David O. Beadles, WALTERIA Church. Total membership in the conference increased to 250,015, a gain of 8,126 persons. And Methodists paid out for all causes \$20.6 million, of which more than 20 per cent (\$4.1 million) went to others.

Throughout the week more than 5,000 persons visited the campus for special events, such as youth day, which attracted 2,600 high school and college young people, largest crowd in conference history.

The conference honored seven retiring ministers, and the memory of 18 ministers and wives of ministers who died during the year.

Finally, in a solemn, impressive ceremony, Bishop Kenney ordained 46 men to the Christian ministry.

### Pastor Begins His Tenth Year

Rev. Walter M. Stanton has been returned as pastor of Central Evangelical United Brethren Church for his tenth year.

Appointment of Rev. Stanton was made at the annual conference held at Mission Springs last week.

Attending the conference from the local church were Mrs. Walter Stanton, the pastor's wife, and W. E. Bowen, church delegate.

### An Open Letter to the People of This Community from the Officers & Directors of Cabrillo Savings

It was our belief when we opened our doors in 1961 that a locally-owned, independent savings and loan association would be of great value to this community. We believed that personal friendly service—by a main office staff with a genuine interest in the needs of our neighbors, and a stake in the community—would be the foundation for building a strong financial institution.

Today, we have passed the 4-1/2 million dollar mark in assets. We are receiving congratulations . . . and we want to extend our congratulations and appreciation to you.

Cabrillo Savings' record of growth is an achievement of the families and business of this area who have placed their savings accounts in our association, where we have put the money to work for the progress of the community.

If you are not yet a member of the Cabrillo Savings family, we invite you to join now. You'll meet your neighbors at Cabrillo Savings.
