

Teenager Attends Speech Institute

Bud Baumgarten, 4023 W. 176th St., Torrance is among more than 200 high school students—all in the upper 25 per cent of their class—who are attending the National High School Institute in Speech, through Aug. 4. Baumgarten is the son of Mr. and Mrs. Gabriel Baum-

CLIMB ABOARD — (left to right) Engineer Richard Sprout (at wheel) Firemen Greg Powell, Doug Bergen, and Tony Salce take their station aboard one of the pumpers as they don their fire fighting clothes. Always ready to fight a fire, the firemen can be at their station within a moment's notice.

The university's School of Speech supervises the programs in drama, radio-television-film, debate, and public speaking. Prof. Karl F. Robinson of the school is directing the institute, which began July 2.

The institute is conducted by regular university faculty supplemented by a special staff of instructors selected for abilities in training students in speech fields.

Brain Storming Experiment Held For Diabetics

Dr. Charles R. Brantingham, Long Beach Podiatrist, will preside at the regular meeting of the Long Beach Society of the Diabetics Association of Southern California July 24 at 7:30 p.m.

An unusual program is in store for all diabetics in this area, parents, or anyone who has a history of diabetes in his family. A "Brainstorm Session" will be led by the immediate past chairman, Henry Abadie, in which the entire assembly will participate.

Groups of seven or eight will form to discuss various areas of interest in diabetes. Later the ideas extracted from each group will be shared by all of the other groups. The meeting is free and is open to the public. It will

be held in the auditorium of the City Health Department, 2655 Pine Ave., Long Beach.
