

Boat Drag Racer Pulls Fast One; Has Green Boat

The boat racing fraternity is up in arms. One of its members, Jack Nichols of Torrance, has painted his drag racing boat, "Witch," bright green.

It just isn't done, in boat racing or auto racing. The color green is considered to be worse than bad luck.

"To heck with tradition and superstition," was the reaction of Nichols, owner-driver of "The Witch."

"The speedy craft has done 118 mph and, boast Nichols, "she's capable of much more than that."

SEEK RUSSIAN STARS

Some of Russia's greatest athletes including world record holders Valeriy Brumel in the high jump and broad jumper Igor Ter-Ovanesyan may meet American champions in the 1963 Coliseum Relays, it was learned today.

The sponsoring Southern California Committee for the Olympic Games will make an all-out effort to land the Soviet stars for the May 17, 1963 Relays, it was announced by General Chairman Bill Ackerman.

RACING WEEKEND—Exciting midget racing action returns to the Southland this weekend with two big United States Auto Club races. Racing director J. C. Central Redondo Team Nips Tordondo Little League, 6-5

Two youthful All-star Little League baseball teams put on a display of fight and determination, the end result, a victory for Central Redondo over Tordondo, 6 to 5.

Steve Masters, the winning pitcher for Central Redondo, set up the two final runs in the sixth which proved to be the deciding runs.

After Alvin Brinkley walked, Masters scorched a hot single to left. Then throwing errors permitted both Brinkley and Masters to score.

TEN TO NINE

Greg Butterfield, the losing pitcher, had 10 strikeouts to his counterpart's 9, gave up only four hits to his opponents five. However, two of these hits were back to back home runs by Dennis Cawdrey and Steve Hill.

Cawdrey's home run came with a man aboard. This home run spree tied up the game for Central who were down at the time 4 to 1.

Tordondo went down fighting in the sixth. Danny Stern led off with a walk and was put out at second on a fielder's choice on Butterfield.

David Boyd reached first

on an infield error; then Butterfield scored while Central got its second out by putting out Billy Ernst at first. The final out was another infield out third to first.

COMEBACK

Saturday, Tordondo came back to win a consolation game against Sunset Little League 5 to 2. Tordondo had a one-run lead when, in the top of the fourth inning, Sunset pitcher Steve Sansom singled and then Bobby Fowler came in as a pinch hitter and promptly slammed a home run to put Sunset ahead.

This lead held to the bottom of the sixth when a fighting Tordondo team came up with the winning rally this time. After one out Mike Mahaffey singled. Then, after another infield out, Joe Sullivan walked followed by Deannie Gibson who got his third successive single of the game to score Mahaffey with the tying run.

Billy Ernst then came through with a mighty wallop for a home run to give Tordondo the victory. Danny Stern and Deannie Gibson comprised the winning battery in this one.

Fishing Reported Fair at Crowley Lake in Sierras

Despite the fact angling has not been as good as usual this year at Crowley Lake, the Eastern High Sierra "lair of the tackle-busters," the trout reeled in are bigger than in past years, according to Warren Bahm, south landing manager who said the average finny fighter chicked in this year weighed from two to three and a half pounds. Still-fishing and trolling are equally productive, Bahm said.

PRIZE CATCHES

Diana Odiorne, Independence, reeled in a 6-pound, 3-ounce Brown while trolling with a wobbling lure in Hilton Bay last week.

But U. C. Penner, Van Nuys, is still the pace-setter in the 1962 competition for the Robert L. Burns Perpetual Trophy.

Penner boated a 12-pound, 4-ounce Brown while casting red salmon eggs from the North Channel's shore on June 16, and if nobody checks in with a bigger fish, he will have his name inscribed on the Burns Trophy and will receive a smaller replica of the award to retain permanently.

The Burns trophies were donated by the Southern California Rod and Reel Club in memory of Los Angeles' late "elder statesman," and are presented for the largest fish caught each year.

CROWLEY LAKE

Discussing the condition of Crowley Lake, Bahm said the water is still rising about three inches each day, and the cool water flowing is keeping the algae down.

There are plenty of rental motorboats and rowboats available for the remainder of the 1962 "big fish parade," according to Charles S. McCormick Jr., office manager in the Recreation and Park Department, who said boat reservations can be made by calling MADison 4-5211, station 1515; by writing to the Recreation and Park Department, Room 305-City Hall, Los Angeles 11.

FIRST IN CASTINGS
