

Youngsters Join Library Summer Club for Reading

Regular readers totaling 181 boys and girls have joined the county library's summer reading club at the Torrance branch library, according to Mrs. Lila Held, Torrance children's librarian.

Mrs. Held said it is not too late for others to join, and urged all school vacationers to hurry to the library at 1345 Post Ave., and sign up now. To become a member, those interested must read a book and tell the librarian about it.

The full name of the club is "Dr. Dolittle's Summer Safari Club." Practically every boy and girl knows who Dr. Dolittle is, the librarian said. They have either read the books about his fascinating animal friends and his sea journeys to fabulous lands or they have heard the marvelous tales at story-hour programs.

Each one of the doctor's animal friends is conducting a summer tour for club members. Members go on the tour by reading a book. If a club member reads a book about nature or animals, he is off on a trip to the great outdoors conducted by the Doctor's famous dog, "Jip." "Gub-Gub," the pig, has charge of the humor books. "There is many a laugh and chuckle to be enjoyed on 'Gub-Gub's' tour," she said.

There are nine trips to choose from. Club members can go on all of them or can specialize on certain ones.

SHADE NEEDED

If your patio gets too hot to use in the summer, build a trellis-style roof over it using Douglas fir 2x6s with 4x4 posts. Cover it with 1x4 boards spaced a half inch apart.
