

AN OPEN LETTER TO THE PUBLIC . . .

Next week we will begin moving to our new location at 235 North Pacific Coast Highway, Redondo Beach. A large 10,000 sq. ft. building, sufficient to contain our many facilities, including convenient customer parking. Your help is needed. At this time we are operating two sales departments, and as a result we have a tremendous stock of DUPLICATE FLOOR SAMPLES. Consequently, all merchandise is being sold at sacrifice prices . . . some far too low to advertise.
