Sacred, Secular Topic of Sermon
The Narbonne Avenue Baptist Church of Lomita heard its pastor, Robert A. Wells, speak at both 8:30 and 10:50 a.m. services Sunday. His subject was "The Sacred and the Secular." These terms are used in a man made way to describe things God has made. It is possible for a sermon to be secular and a shoe shine rag to be sacred. Man needs a new value placed on things and on his activities," Mr. Wells will state.

Evening School Opens Drafting, Blueprint Class
Torrance Evening High School announces a class in drafting and blueprint reading, beginning tonight at 7 p.m. at Narbonne Avenue, in Torrance. This course is designed for persons who wish to learn how to draft for home and other buildings, remodeling plans, the reading and interpreting of blueprints. It will include such information as drafting and equipment needed, drafting symbols necessary to preparing or reading blueprints; drawings in perspective, and requirements necessary to meeting local, county and state codes. Guy Sherod will teach the course. Students will register in room 114 at Narbonne Avenue High School with Sherod Wednesday evening. Class size will be limited to 30 persons. Further information may be had by calling the Adult Education Office, FA 8-8080, Ext. any weekday, or even by calling FA 8-9206.

Sunday night's message at 7:30 p.m. was the second in a series on the general theme, "Lord Teach Us." This message was "Lord Teach Us About Thee." "So many false ideas of God have accumulated in our world, we need to uproot these to get the truth in our minds. It is amazing how much ignorance a man can accumulate in one lifetime. This is especially true when it comes to God," the pastor said.

September has been choir registration month. There is still space in the Junior, Youth, and Adult choirs.

Promotion Sunday has been set for Sept. 30. The Sunday School, Training Union, and Youth Organizations will observe this advance. These organizations are organized on an age basis.
