PONTIAC CATALINA series is represented here by 1963 four-door hardtop model. New styling is graceful, massive, elegant and distinctively Pontiac. There are six other Catalina models: sports coupe, two and four-door sedans, six and nine-passenger Safari station wagons and a convertible. In addition to new styling, new colors and new interiors, '63 Pontiac offers greatly improved front and rear suspension, self-adjusting brakes, increased engine performance, less owner maintenance and significant developments in new accessories and safety features. One-Stop Service Offered At New Coin Clean Center

Fantastic as it may seem, you may now park your car, so the family wash clean your husband's suits, dry your hair and press the clothes all in the same breath.

Where do you find this 1962 miracle?
At the Coin Clean Center, 728 E. Carson St., corner of Avalon and Carson, Torrance.

This miracle of miracles will include coin-operated dry cleaning machines, washing machines, and dryers. For just \$2, today's homemaker can stop in and dry clean eight pounds of clothing. This equals (for one load) four men's suits, or 15 to 20 sweaters or eight to 10 skirts or two blankets, or two to three panels of draperies.

With ample parking right at the door and hours from 9 a.m. to 9 p.m., things should really be buzzing on East Carson.

As advertised in this paper, from Friday, Sept. 28 through Friday, Oct. 5, Avalon and Carson Coin Center makes the special grand opening offer of one free silver dollar for every load of dry cleaning cleaned in the machines.

Coin Clean Center cordially invites everyone to come in this week-end and takes advantage of this special introductory offer.

If residents want to take advantage of the complete one-stop fabric care center, they should bring laundry and do it in the Maytag washing machines—just a quarter per load does it completely and there are free dryers with each wash.

this all their lives and are used to it by now."

NICKNAMED 'PAT'

Mrs. Nixon, the former Thelma Ryan, has been on her own since 17 when her father died. Her mother died when Thelma, nicknamed Pat by her father, was 12.

At 19, the ambitious young woman began studying merchandising at the University of Southern California. She paid her way through college while working at a Los Angeles department store and by doing bit parts in movies. After graduation she took a teaching job at Whittier.

Mrs. Nixon met her husband when they both tried out for romantic leads in a local little theater play — and got the parts.
