MOUNTING SUPPORT . . .

There is mounting support of Torrance as a site for South Bay State College.

This is more important than perhaps any other factor now.

College trustees lay significant stock in community reaction, and vote accordingly. Proponents of the Peninsula site have done little to express their desires.

The "big push" is on. There is more optimism than ever. A decision should be forthcoming by early in November. We hope it is in our favor.

HUE AND CRY . . .

The hue and cry for honest law enforcement is reduced occasionally to a mere whisper.

Such is the case when residents "don't want to get involved" or withhold information that might be of vital importance.

Our police department is only as honest as we want it to be, and as good as we help it to be. If it is to do a job, then it must have the unequivocal help of the public it serves.

MOMENTUM GROWS . . .

Ted Bruinsma's campaign for Congress is gaining momentum.

Even some Democrats have joined Republicans in boosting the Bruinsma bandwagon. Cecil King's recent mailing to 17th District voters under his franking privilege seems to have done Bruinsma a favor. Local doctors began offering help almost the minute King's Medicare Bill brochure hit the mails. There may be an upset Nov. 6.

RULES OF ROAD

Bicycle riders are drivers too. And as drivers, says the Automobile Club of Southern California, they are subject to the same rules of the road as motorists. If your children ride bicycles, be sure they know and obey all traffic laws. Their knowledge and practice of safety regulations will contribute much to your peace of mind.
