

Bandits Get \$300 During Store Holdup

TORRANCE — Armed bandits held up a liquor store Saturday night and escaped with more than \$300 in currency and silver, police said.

Joshua D. Rose, 34, clerk at the store, 1601 Cabrillo Ave., said two men came into the shop about 9:30 p.m. One of the men remained by the door while the other came to the counter, presumably to buy a pack of cigarettes.

When Rose turned, the man at the counter pulled a blue steel revolver and demanded money from the cash drawer, he said.

Suspects fled and were last seen running on Carson St.

Police later recovered a stolen car which they said could have been used in the crime.

The vehicle had the ignition switch removed and the motor was still warm when officers discovered it, police said.

Area Scouts Set 'Good Turn Day'

TORRANCE — Harbor area Scouts will get new meaning Dec. 1 to their world-renowned slogan, "Do a Good Turn Daily."

In a very personal way, this slogan has become meaningful to handicapped and less fortunate people because from it has developed the annual Good Turn Day.

On Dec. 1, thousands of Cubs, Scouts and Explorers will mobilize for the 12th year for one of the greatest organized Good Turns in America.

A week prior to Good Turn Day, each Cub, Scout and Explorer who participates will deliver six to 12 large paper sacks to homes in his neighborhood.

They tell the house holder about Good Turn Day and ask them to help provide employment for the handicapped by filling the bag with reparable clothing.

A promise is made to return the morning of Good Turn Day, and pick up the sacks with their contents.

Scouts take the clothing to a central unit location where it is picked up by trucks from four agencies serving handicapped people.

Receiving the Good Turn are the Salvation Army, Goodwill Industries, St. Vincent de Paul Society and the Volunteers of America.

They gather and divide the articles, and repairing them keeps handicapped people busy earning wages during the winter.

The tangible benefits of Good Turn Day are the nearly three million pounds of clothing that have been collected during the past 11 years.
