CHOOSE FROM THE DECORATOR'S NEW LOOK IN STEREO OR THE HOME ENTERTAINMENT CENTER WITH AUTOMATIC TV:

- ★ REAL HARDWOOD CABINET for richness of style and sound.
- ★ AM/FM TUNER to receive the new stereo broadcasts.
- ★ 4-SPEAKER SYSTEM for full orchestral sound.
- ★ 4-SPEED RECORD CHANGER with diamond stylus.
- ★ G-E SCRATCH FILTER that makes worn records sound better.
- ★ DRIFT-FREE frequency control "locks in" FM reception.
- ★ BIG 19-INCH "Daylight Blue" square corner TV picture.
- ★ GLAREJECTOR safety window reflects light away from view.
- ★ PLUS — ask about the new General Electric music distribution system that automatically gives you sound in every room.
- ★ ONLY G-E offers these outstanding features. Proof positive that, by any measure...

There is nothing "just as good as" General Electric
