Sir Beaumain's Chapter Holds Valentine Coffee

Hearts ruled at the Valentine-time membership coffee held by Sir Beaumain's Chapter, Children's Home Society of California at the home of Mrs. Gloria Barbour, 4016 Via Pima, Palos Verdes Estates, Friday morning, Feb. 15.

Special guest was Miss Joan Finneran, assistant director of volunteers for the Children's Home Society, who explained the work of the adoption agency and its auxiliaries.

She states that a happily married couple, young enough to be adaptable and who love children, now may have a child in their home on the average of only six months after first inquiry. Re-applications are also being accepted, she pointed out. Applications to the Society's Long Beach office (125 East 13th St.) or to the District office in Los Angeles (3100 West Adams) can be handled promptly, she reported.

Future activities of the Sir Beaumain's group detailed by Mrs. Charles Burton, president, included a visit to the downtown headquarters of the Society, to be followed by a luncheon, set for this spring. Also planned are a potluck dinner for the husbands and a business meeting to discuss fund-raising projects.

Persons interested in assisting the Children's Home Society through auxiliary work have been invited to contact Mrs. Harry Crider, secretary, 2502 Grand Summit Roa, Torrance.
