

TORRANCE PLANT WINS top honors for 1962 and J. A. Ebbinghouse (left) plant manager, is shown receiving United States Gypsum's annual award for Class A plants from Edward Rembert, vice president of operations. The company operates more than 65 plants throughout the U.S., Canada and Mexico. Each year awards are made to plant managers who turn in the most outstanding production achievements. Torrance and Ebbinghouse are the 1962 Class A winners. Congratulations.

APPLIANCES ON CHOO-CHOO, with engine bearing Andy Anderson (left) and Tom De Loyd, partners of Liberty Home Appliance, Torrance, signify huge trainload shipment of appliances from the General Electric factory. A mass \$4 million purchase was made by Southern California dealers. The mile long train was pulled by a powerful diesel and not the 1890 wood-burner shown above.

School Issues Hold Spotlight At Meeting

The West Torrance and the South 46th Democrat Clubs are sponsoring a candidate meeting the evening of Thursday, March 21 at 7:30 p.m. at the Carl Steele School, 19300 Inglewood Ave. S. E. Waldrip, assistant superintendent business, Torrance Unified School District, will speak on the proposed bond issue which is on the April 16 ballot. Each candidate seeking a seat on the school board will be given an opportunity to outline their background and platform. The public is invited. Questions can be submitted at the door and a panel will present those questions to the candidates.

Kite Safety and fun checklist for earthboys

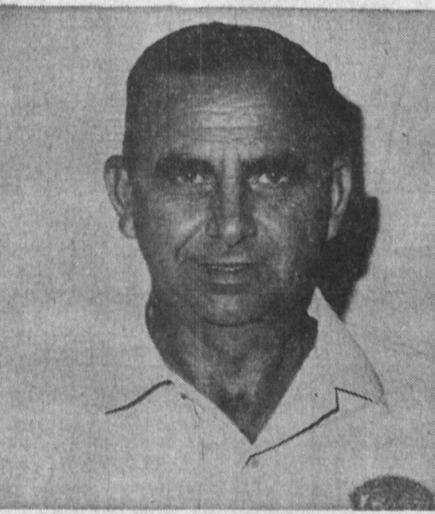

- Launching Pad—Open field away from overhead wires. During Countdown—Make sure kite has no metal parts. Ground Control—Dry cotton string only (never wire or metal). Crash Procedure—Abandon kite immediately if it catches in any wires!

Southern California Edison

With Ruth Caudle... SWINGING DOWN A LANE

Torrance bowlers should be very proud. On consecutive weekends, beginning Feb. 16th, 135 men's teams took part in the Southern California Firemen's bowling tournament in Riverside. Fire fighters represented towns from Bakersfield to the Mexican border. Torrance, with a fire fighting force of 117 men, entered six teams. There must be some very fine bowlers among these fire fighters, for they took second and third in team events. The Fire House Five (1A shift) scored 2943, and Fire Fighters (1A shift) scored 2901. Torrance firemen have entered the tournament since 1959 and each time have brought home honors. Bowling involves time and practice and must be done on the fire fighters own time. We do not have all the scores from the singles and doubles events. We will try and get them for a later date. Good bowling gentlemen. Let's move over to the Bowl-O-Drome and meet an unusual young man — Bob Martin — who bowled a 290. Bob is 16 and subs on the league in his first year of ABC competition. It seems the eight pin got in his way in the first frame to keep him from a perfect game. Dave Grooms, Gene Marchese, and Elmer Field held fast to 279 games each, Don Burns and Bob Woods went home with 269. Dave Grooms and Barry Kaslick rolled the high series with 740; Van Vander Platts hit 699; Larry Bryant, 694; Al Marlorella, 687. Palos Verdes Bowl has some interesting scores, too. Tom Wilkes, who bowls on the Kiwanis Monday night five-man team, has an average of 147 so he must have been very excited with his first eight strikes in a row, bringing his final score to 262. Harry Lingo, bowling on the men's 860 scratch, had his first 600 series, a 621 to be exact. We have two "step ladders" from Palos Verdes, too. Beth Rogers, on the Foresters League, surprised herself with a 142, 143, 144. Dale Goodwin must have heard about this because he came up with 155, 156, 157.

MARION E. GRAY, of 2324 W. 247th St., Lomita, recently celebrated his 35th anniversary with Southern California Edison Co. Gray is employed at the company's Redondo Beach office as a commercial serviceman. He began his service with Edison in 1928 as a groundman.
