Men of the faculty will play opposite members of the West High Letterman's Club. Faculty women will be cheer leaders.

Representing the Letterman's Club will be Steven Cooke, Joseph Easton, James Kelly, Richard Grossman, Michael Johnson, Martin Keho, Frank Bower, Allan Thomas, James Bell, William Sutton, Robert Mandel, Robert Herbert, Michael Anson and Harry Howell.

Members of the faculty team will be Forrest White, Arnold Plank, Robert Schultz, Thomas Allison, Ronald Lange, Jack Long, Robert Holte, William Parton, Thomas Sutherland and William Brown.

Faculty women cheerleaders will be Patricia Shiley, Diann Cobb, Bertha Daigle, Kay Denny, Barbara Goemer, and Kathleen Angle. Two faculty men helping to lead cheers will be Lawrence Regello and Robert Dufel.

Tickets may be purchased at the door the night of the game for one dollar. The

public is invited to the March 28 game.

Rules for the game are as follows: each player will ride a donkey. There will be two forwards and two guards who will be confined to one-half of the court. However, the two centers are allowed to go anywhere that their donkeys will go.

When the ball is on the floor, the players are allowed to dismount, but they must take their donkeys with them wherever they go. The player who regains possession of the ball must be allowed to remount before the ball can be taken away from him by an opposing player, who also is mounted on a donkey.

Michael L. Mullen Wins Fellowship

Michael L. Mullen, of Torrance, who is attending Carleton College in Northfield, Minn., has been selected as one of the Woodrow Wilson fellows in the first year of the awards.

The fellowship covers tuition and fees for the first year at the graduate school of the student's choice, plus \$1500 and a dependency allowance.

Local Surfers Star in Film At Hermosa

Local surfers Mike Doyle, Mike Stange and Greg Noll star in Bud Browne's latest all-color surf film, "Gun Ho."

The movie will be seen at Pier Avenue Auditorium, Hermosa Beach, Friday and

Saturday, March 29th and 30th, and April 5th and 6th. Show time is 8:30 p.m. Admission is \$1.25. The Los Angeles County Lifeguard Assn. is sponsoring the film and all proceeds will go to help the Junior Lifeguard program. Tickets are available at the door.

"Gun Ho" brings surfing scenes from Banzai Pipeline, Sunset and Makaha in the Hawaiian Islands.

Shots from Australia, starring "Midget" Farrelly, world's surfboard champion,

more children can go to college.

It is a matter of good common sense to place the proposed college to serve this area in the central part of the area to be served.

The center of population as well as the geographic center of the area to be served by the college is nearer to Torrance than to any other logical site in the entire South Coast area.

Those are just a few of the "pertinent facts" about the location of the college at Fox Hills.

Do you think that those pertinent facts justify the placing of our college at Fox Hills?

Or, is the location based on politics alone?

(Next: The problems of a 16-year-old college)

are also in the film. The film adds local interest with shots from the Redondo breakwater storm surf and Southern California surfing action from Windansea, Malibu and Rincon. Browne has mixed in many hilarious comedy sequences throughout the movie to give the film a lively pace.
