

ROSALIND LORING

Rosalind Loring Moderates School Candidate Meeting

Moderator of the "Know Your Candidates Meeting" to be held by the Torrance League of Women Voters at 8 p.m., Wednesday, April 3 at South High School is Rosalind Loring, coordinator of special programs of University Extension, University of California.

Miss Loring, who has appeared as a professional public speaker on television and radio programs, is former president of the Los Angeles League of Women Voters, and was employed as a teacher and administrator before undertaking her present position with the university five years ago.

Invitations to appear in the program have been accepted by all candidates for the Torrance School Board.

According to Mrs. William Geissert, voters service chairman, candidates will be

afforded equal time on the platform. Following individual talks, they will participate in a question and answer period conducted by Miss Loring.

Candidate questionnaires compiled by the league to provide candidates with an equal opportunity to express in writing their points of view on leading issues in the campaign will be reprinted with the candidate's answers and distributed to the public at the meeting.

Among the questions posed are items dealing with curriculum, caliber of teachers, budget allotments, summer school program and special services. In addition each candidate has been asked to express his primary objective in running for office.

The meeting is open to the public.
