

THE FINEST FOOD AND ENTERTAINMENT IN TOWN

DATELINE . . .

By Ted Stephens

Around we go — dusk to dawn — early evening menu items — flat tires — a feeling of accomplishment — then one of contentment — a now remembered apology or sixteen, to be made for oversights and laziness on my part — causing funny words around the office and chewing OUT by the clients. Any way — it's Chett SCOTT (noatkins) at the HI HO CLUB . . . And though the COPPER SKIET is my lunch haven and busytime gettogether place I haven't mentioned Chris' fine establishment in two weeks. . . . More . . . Took friend and future lawyer (1 yr. to go) to the PIZZA PALACE for a large combination — ate it — took pictures — later developed same — had plastic made only to find that the smallest I could run it and hope anybody recognize anybody would be seven inches by four deep — and me with no room . . . "NEXT WEEK" is a promise to Chuck and Bill. . . .

Of the PEN AND QUILL and SMITH BROS. FISH SHANTY — excellent — kind of a warm and welcoming feeling you first notice when you walk through the doors of either one of the fine restaurants. . . .

Harry Prod at The PORASOL extends Easter Greetings to all you nice people. . . .

Just opened, Frankie St. Claire at CAESARS — two weeks only . . . Your last chance. The Great Nellie Lutchler ends her engagement at CYRANO'S this Saturday night. . . .

All gone-by-by-to late-they are gone. The Upstarts have moved from the MARINER to some other gig.

HOUSE OF REILLY presents Dusty Rhodes backed up by Alton Parnell on piano, Bill Nino on trumpet and Hy Bergman on drums.
