Europe Study Deadline Set

An extension of the deadline for applications to study abroad has been announced by Dr. Thomas P. Lantos, statewide coordinator of the overseas study program of the California State Colleges, who said interested students would be permitted to register until April 30.

The new deadline applies to all three of the programs scheduled to be held in the fall of this year in France, Germany and Spain.

The academic programs offered consist of two months of advanced language study in the host country, followed by two semesters of selected work in courses relevant to the student's major and professional objectives.

Minimum requirements are: upper division or graduate standing at the beginning of the current academic year; a high grade point average; and proficiency in the language to be studied.

Babe Ruth Dance Set Saturday at 9

The Torrance Babe Ruth League with 200 boys enrolled this year will celebrate their Tenth Anniversary with a 9 p.m. dance at the Retail Clerk's Hall, 25949 Belle Porte, Harbor City, Saturday, April 20, 1963. The donation is \$1 per person.

The dance, one of the largest social affairs of the year, will be directly pointed to all those people who, through the years, have been a part of this organization. Invitations have been mailed to all ex-presidents inviting them to be the special guests of the league.

This being the Tenth Anniversary, many of the boys who have played in the league are now of an age to attend the dance and the committee would like them to consider this a special invitation.

Music for dancing will be by Mel Coates and there will be a drawing for a 19 inch portable television set.
