

With Ruth Caudle . . .

SWINGING DOWN A LANE

Last Saturday night, the National Fifty and Over Bowling Club held its third annual banquet at the Tasman Sea Restaurant to close the winter season of bowling.

League trophies were awarded after a very tasty dinner.

First place winners were as follows: Carmen Hopkins, Lois McCarthy, Harry Fielding, and Milt Youngblood.

Second places went to Wanda Kowalczyk, Sylvia Hillicker, Everett Hillicker, and Ray Atkins.

Woman's high series was won by Ann DeFrancisco with a 622, men's high series went to Alvin Henning with a 638. Women's high scratch game was won by Carmen Hopkins with a nice 212, and men's high game was won by Milt Youngblood with a 223.

Most improved woman bowler was Alma Fees and Hickory Cavanaugh, 72 years young, walked off with the belt buckle for the most improved bowler in the men's division.

Door prizes were won by Nelson Hopkins, John Mock, Jim Bagley, Paul Shively, and Sunny Burnham. Congratulations were in order for Mr. and Mrs. Ray Shel-

ton on their 23rd wedding anniversary, and Ray's birthday as well.

We can't forget the cellar champs, Bea Umbra, LaVaughn Henning, Rudy Mariano, and the old champ himself, Bill Caudle.

We were happy to see so many turn out for this affair. Mrs. Charlotte King brought Mr. and Mrs. John Mock and Bill School as guests. Mr. and Mrs. Ray Shelton hosted Mr. and Mrs. Tony Brickman. Entertainment Chairman Mrs. Beulah Richmond brought her lovely daughter and son-in-law, Mr. and Mrs. Sunny Burnham, as guests. Arthur Krueger was accompanied by his charming wife, Eva. They live in Anaheim and never fail to attend each function of the club despite the distance. We appreciate their loyalty.

Guy Riggs attended as guest of Mr. and Mrs. Bill Caudle. Guy has been most kind in giving his time to take still pictures as well as the motion pictures seen on television.

Mr. and Mrs. Charles Richmond attended from the club's Santa Monica branch and the executive board of directors made her an honorary member of this

club because of her success in getting new members.

She replied as follows: "I wish to take this means of thanking you in appreciation of appointing me an honorary member of this organization. I was overwhelmed. I know I am going to get a lot of enjoyment out of this (Torrance) club. I think it is a wonderful organization and only hope that we, the Santa Monica Chapter will become as large, or larger in membership as your lovely Torrance chapter."

Let's go over to Palos Verdes Bowl and see what they have to talk about this week.

Al Stoekle bowling with the Hits and Misses rolled a fine 257 scratch. On the Post Office league we have Art Noel with a 254. For Kaiser Permanente, Bob Lauri went up the ladder 116, 117, 118.

Ruddys Divers bowling Thursday evening were congratulating Bob Christofferson for a 699 scratch series, Gene Simmons with 257, and Thelma Meeks who took season high series with a 622.

On the Estey Electronics league, Milt Lake Bowling on the Maddalonis League walked off with a season high game of 275, nice bowling Milt. Scotty Lawerree rolled a 251 scratch on the US Tow's. And Gloria Mahoni decided to continue

that step ladder Bob started with a 119, 120, and 121.

Over at Bowl-O-Drome Bob Nugent rolled a 760 scratch series, Bill Guyett a 728. Bob Nugent deserves the hand shakes he received from all his team mates for a fine 299 scratch game, and the same thing goes for Harry Kaslick for his 296. Congratulations gentlemen.

In the Junior Dept. this week, we would like to introduce young Tommy Campbell 13 years of age. Tommy started bowling when he was ten. Shortly after the National Christmas Tournament began, Tommy being very sportsminded, not a bit afraid of other boys who had been bowling longer decided to enter.

You must be a member of the American Junior Congress to take part so Tommy joined. He entered the Bantam division, with a 171 average, each boy bowled two games, and Tommy averaged 180 for the two games and came home with a beautiful trophy for 19th place.

Tommy is a south paw and likes all kind of sports, bowling is his favorite. Harry and Eleanor Campbell, proud parents of Tommy tell me he is an average student and attends Madrona Elementary School. Campbell takes Tommy to many bowling houses, although he does not bowl himself, he

enjoys watching his son and gives Tommy all the encouragement a young man needs when growing up.

For his hobby young Tommy rides a Unicycle which is a feat in itself. Congratulations to this fine young man. Good Bowling, but above all good sportsmanship.

What's New In Library?

The following are among the new books on the shelves of the Torrance Public Library. The names of the authors are given in parentheses:

New fiction: A Little Less Than Kind (C. Armstrong); Where's Annie? (E. Bassing); A Favorite of the Gods (S. Bedford); War of Nerves (P. Brickhill).

Jampot Smith (J. Brooks); And Presumed Dead (L. Fletcher); The Nonesuch (G. Heyer); Ferdinand Taurus (M. Leaf, in Latin); Untimely Ripped (M. McShane); The Bedford Incident (M. Rascofich).

Home and Murder (A. Stein); Mexican Slay Ride (S. Weintraub); A Passage of Hawks (W. Williams); The Fifth Passenger (E. Young); Therese Raquin (E. Zola).

New nonfiction: The Joiners (M. Hausknecht); The City Dwellers (W. Zinsser); The Southern Case for School Segregation (J. Kilpatrick); The Papers of James Madison, Volumes I and II (James Madison); The Ideologies of the Developing Nations (P. Sigmund); Financial History of the United States (P. Studenski); The Other Society (H. Darin); Politics and World Oil Economics (J. Hartshorn); Brewed in America (S. Baron).

Militarism and Industry (V. Perlo); Law for the Family (W. Bernard); The Real Estate Examination Prep Book (P. Anthony); The Medal (F. Donovan); Military Cold War Education and Speech Policies, Volumes I through III (U.S. Congress).

Modern Guerilla Warfare (F. O'Sanka); Man, Crime and Society (H. Bloch); The Truth About the Mafia and Organized Crimes in America (G. Schiavo); The Discovery of Neptune (M. Groszer); The Mainstream of Physics (A. Beiser); Fundamentals of Electricity and Magnetism (A. Kip).

Physics of the Nucleus (M. Preston); Atomic Energy Research in the Life and Physical Sciences (U.S. Atomic Commission); The Enchanted Voyage, and Other Studies (G. Hutchinson).
