## Sewing Contest Entries Sought

Details have now been worked out for the eleventh year of the single young stylemaker sewing contest for girls between the ages of 10 and 21. Jet trips to Paris for two await top winners in the two age categories — the 14-17 group and the 18-21 bracket. The national winner in the 10-13 year old category will receive a trip in the United States for herself and parents.

The awards list which totals more than 3,000 prizes with a cash value of \$130,000 includes handsome Singer portable typewriters and brand new Singer slant-needle sewing machines.

To enter the contest, each girl enrolls in an eight-lesson sewing course, where she will create the garment which becomes her entry in the contest. To assure equal chance for all, three age groups will compete separately.

The Tween Division is for girls 10 through 13; the Teen Division for those 14 through 17; and the Miss and Mrs. Division for girls 18 through 21. A winner—one in each age group—will be selected in each local judging and prizes of beautiful sewing cases awarded.

Winning garments will then be sent to Singer area headquarters for further judging. There are 35 sewing areas in the United States and Canada. The winners in each group at this level will receive a brand-new Singer slant needle sewing machine. A total of 105 of these machines will be given to girls who win at this judging.

The next stage is the regional judging in New York of the 105 area winners by a board of top fashion authorities. The five best entries in each age group will be selected. These 15 regional winners will be invited, along with their mothers or a family-approved companion, to New York on an all-

expense paid trip as guests of the Singer Sewing Machine Company.

After a whirlwind of theaters, sightseeing and parties, the 15 girls will participate in a fashion show before a discriminating audience of fashion sewing experts at which time the Grand Prize winner in each of the three age categories will be announced.

In the Tween Division, \$400 will be awarded to all five winners. The top winner will also enjoy a one-week tour of historic U.S. cities for herself and her parents.

In the Teen Division, all five winners will receive \$600. In addition the 1963 top winner will receive a jet trip to Paris for herself and one companion, to visit some of the world's leading fashion houses of the Chambre Syndicale De La Couture Parisienne.

In the Miss and Mrs. Division, four winners will receive \$800. The top winner will receive \$1000, plus a trip that is the dream of every young woman—a summer jet trip to Paris for herself and one companion.

In addition, all 15 national finalists will be given Singer portable typewriters. August 10 is the last date enrollments will be accepted. Judging on the various levels will take place in late August and September, with the final showing in New York planned for mid-autumn.
