

# DATELINE . . .

By Ted Stephens

Around we go — dusk to dawn — TWIN BOYS for Julie London — That's Bobby Troup's spouse — he's at the PAR-RISH HOUSE for the weekend again — He had a great three nights last week and will probably do it again this week. . .

Annabelle got married — she's now Mrs. Jerry Persell. . . Chapel Theatre opened "Send Me No Flowers" last week.

THE PIZZA PALACE CHAIN IS GROWING — and growing. . .

ROADIUM THEATER this week has this to say "my inventions are different — last week I crossed a mule with a cow — that way I got milk with a kick in it." Cha Cha Cha.

With copy of this line you can get two bits off on a Louisiana Shrimp Pizza at Shakey's this week. . .

Bob and Randy didn't do the Sunday Jam session at the Chee Chee Room this last week — it seems that somebody went into tears (a guy yet) and started blubbering about how nobody likes him — blamed it on the Boy's and now they ain't there. . . I wonder if old DAIRY HEAD is going to plant alfalfa under his lip or in the cash register now. . .

Tom and Fred Mishima are almost open — won't be long before the competition will really get rough — with so many fine nite spots and dinner houses already here — and more being built every day — MISHIMAS is going to mean MORE than 'just' competition. . .

THREE GUYS AND A GAL — and the 'gal' is Bobbi Davis — They are making Hermosa stand on it's ear at the Beach Bowl on Pacific Coast Hwy. . .

Menu item at The WAYFARER RESTAURANT starts like this — Stuffed Mushrooms — Mushroom caps filled with minced chicken and spices and topped with a white wine and Hollandaise sauce — served with rice pilaff — ok. Tummy Stuffers come and get it — It does nice things to your taste buds. . .

A new group is Westernizing the HOUSE OF REILLY on Western Blvd. They are the Rovin' Ramblers featuring Duane Franks' song styling and happy talk. . . At the SANDS LOUNGE 'Mr. Fritz' and Tommy Carlough added a trumpet sound to their own. Some gassy sounds are jumpin' out the front door to drag you in for a closer listen and a drink or three. . .

PINK woodmobile and I made it out to WESTERN SPEEDWAY last Saturday night — had a '51 Ford to run — but it didn't — so I spent the remainder of the evening watching all the trophies go to everybody else. . . Bennie made HIS Studie go the limit in the Marathon xia a reverse gear — Now B M & L AUTO WRECKING has the biggest trophy of all in the office. . . Wes Cornelius busted his steering wheel up with his jaw — he bled a little and generally messed things up around the track — but officials forgave him and he'll be back next week — and so will I. . .

## THE FINEST FOOD AND ENTERTAINMENT IN TOWN

PRETTY PLUNGER is luscious localite Gerrysue O'Hara before plunging into the pool at the Pen & Quill Hotel in Manhattan Beach.

Bob and Randy auditioned at Caesar's last Wednesday night—what will happen now is up to Gil Sellan and Paul McCoy. . .

Hunting Horn presents the Bill Cooper Trio Tuesday thru Sunday Nites.

### STAR-FILLED 'BIRDIE' SET FOR LONG BEACH

A star-filled production of "Bye Bye Birdie" has been scheduled for the Long Beach Municipal Auditorium's Convention Hall beginning June 6.

Sheree North, Del Moore and Lynn Bari headline the popular musical comedy in the production now being prepared by Community Music Theater of Long Beach, the company that scored a major southland success with "The Most Happy Fella" less than two months ago.

Miss North, dancing film star who recently returned from Broadway where she had played a leading role in the hit musical "I Can Get It For You Wholesale," plays Rose Alvarez in "Birdie." Miss North is secretary to Albert Peterson (Del Moore), who in turn is the manager of rock 'n roll singer Conrad Birdie, played by James Nelson. Lynn Bari plays the comedy lead of Mae Peterson, and Meredith MacRae has the ingenue lead. Miss MacRae is the 17-year-old daughter of Gordon MacRae.
