Summer Session Registration Due At El Camino

General registration for summer session classes at El Camino College will be conducted on June 16 from 1 to 3 p.m. and from 5 to 7 p.m., Leo Christian, registrar announced this week.

Currently enrolled students will register June 17 at the same hours. All registrations are conducted in the Student Activities Building adjacent to the Campus Center.

Schedules listing course and requirements for the six-week session, June 19 to July 31, as those given in the August 5 to 30 post-session are available in the college registration office.

During the summer session, classes are offered in the morning and early evening hours with a six-unit program considered a full time equivalent. Four units may be taken during the August session, when all classes are conducted during morning hours.

El Camino Gives Science Awards to 3

Three El Camino College students received physical science scholastic achievement awards June 7.

Francis Benedict Waites, 2416 Arlington, Torrance, received his high school diploma through Compton Junior College in 1960. He attended the Milwaukee Institute of Technology prior to enrolling at El Camino. He plans to transfer to UCLA or the University of Illinois.

Recipient George Samuel Bailey Jr. is a chemistry major. Bailey plans to transfer to the University of Southern California next fall.

John Scott Hutcheon, Hermosa Beach, is majoring in pre-dentistry. A 1960 Mira Costa graduate, Hutcheon has already been accepted by the School of Dentistry of USC.

The awards will be presented at the annual student service awards banquet with Mooney making the presentations.

Science awards are made annually to graduating students achieving the highest grade point averages while majoring in chemistry, physics, pre-dentistry, pre-medicine, pre-pharmacy, pre-forestry, pre-optometry, pre-veterinary medicine or physical science.

To qualify for an award a student must have a minimum 3.33 grade point average and the recommendation by the faculty members of the division.
