## Graphic Art Collection Is On Display

The June show at the Library Gallery, 2400 Via Campana, Palos Verdes Estates, is "The Sulwick Collection of International Graphic Art" — a group of more than 50 lithographs, etchings and linoleum cuts from the collection of Joseph Sulwick, of Los Angeles.

Sulwick, who travels extensively in Europe, is a foreign patent attorney with Hughes Aircraft Co., and is an avid collector of prints. In his words, he was attracted to graphic art because it retains the artist's expression, contrasted to reproductions, and yet could be purchased at an average price, in contrast to oil paintings. He also sells prints in order to buy more for his collection.

The portion of his collection to be on exhibit represents the work of many very well known artists, including: Picasso, Miro, Arp, Toulouse-Lautrec, Marin, Ernst, Chagall, Clave, Roualt, Cocteau. Subject matter ranges from the sensitive realism of Corot to the vivid color abstractions of Appel. Swiss Artist Carigiet is represented by his delightful color lithographs which contain his characteristic elements of fantasy. In all, 39 artists from 13 European countries will be represented in the exhibit, which will run through June 26. Many of the prints are for sale at prices ranging from \$30 to \$500.

Hours are daily from 2 to 5 p.m., Sundays, 3 to 5 p.m.

**WINDING UP PERFORMANCES** in "Send Me No Flowers" this weekend at the Chapel Theatre will be Fran Ward and Jim Sena, who play the roles of Judy and Mr. Akins in the comedy. Curtain time Friday and Saturday night will be 8:30 p.m. Tickets are available at the box office, 4164 Pacific Coast Highway. Reservations may be made by phoning FR 2-9636. Admission will be \$1.50 Friday and \$1.75 Saturday.

More than 60 employees of exploration and producing operations of Mobil Oil Company in the U.S. saw the latest methods of fire-fighting and prevention. Driver and other safety techniques were also covered.

"One objective of the seminar," says John H. McKenzie, company safety advisor, "is to give every man at every Mobil installation the maximum capability to prevent and, if necessary, to fight fires. We have one of the better safety records in the oil industry. Our aim is to make it the best."

The first two days of the seminar stressed demonstrations of new techniques and devices by experts in the fire and safety field. A presentation on fire safety research indicated trends in the field.

Larry Keene drove in Mark Wilkie in the fourth. In the fifth, Bobby Dunn drove in Mike Kelly and then scored the deciding run on a hit by Mark Wilkie. In the bottom of the sixth the Cards tried to rally, scored one run, then were stopped by Keene.
