

JOLLY FAMILY produces Jolly Boy's Donuts at Carson Center. Parents Fran and Don Smith dish out donuts with day's instructions to their six boys, all of whom help out in the shop, and all of whose names begin with "M." From left, the boys are Malcolm, 4, Martin, 6, Mathew, 12, Maxwell, 14, Mark, 16, and Michael, 18. The family does its own baking, frosting and buying.

Father Don is an electronics engineer. Mrs. Smith got the Jolly Boy name from a recipe in an old cookbook. The family venture "keeps the teen-agers busy and helps them learn to meet people," she says. Their donuts are made from finest ingredients, Mrs. Smith points out, and are always fresh because "we are baking all the time."

NEW SUMMER SCHEDULE STARTS AT VILLA CARSON LIBRARY

A new summer schedule of hours of public service will go into effect at the Villa Carson Library, 554 E. 231st St., beginning on July 22, county librarian William S. Geller announced today. "There is traditionally a 'summer slump' in library patronage as most families take their vacations during this period," the county librarian stated. He explained that since staffing is based on a formula involving circulation that re-arrangement of library hours are necessary during summer months.

"By re scheduling our hours of service during the 'slack' period of use we will be making certain of better, more concentrated service during the rest of the year when there is the most demand for books and reading material," Geller continued. He added that sufficient open hours are being provided for adequate service in each community and that the summer reading program for children will again be emphasized at the Villa Carson branch this year. The new schedule at the Villa Carson Library will be as follows: Monday through Thursday, 12 to 5 p.m.; 5 to 8 p.m., and Friday, 12 to 5 p.m.
