

Al Ortale to Unveil New Facility

Citizens of the Southwest county area will see a completely new concept in automobile display facilities at 20710 Hawthorne Blvd. when the new \$150,000 Al Ortale Rambler buildings are completed in late September of this year.

The latest type equipment including testers, lubrication, alignment and other automotive servicing equipment will be a feature of the new 20-stall department.

The popular Torrance Rambler dealer will continue to maintain the huge used car department across the street from the new headquarters at 20611 Hawthorne Blvd. The third location at 1885 Torrance Blvd., will be completely renovated for the Ortale International Truck unit. The new body shop will also be quartered
