### Rivals to Meet Warriors, Alums

New and old will be in focus at El Camino College Saturday night, when the newly-enlarged Murdock Stadium opens with an 8 p.m. scrimmage between traditional rivals—the Warriors and ECC Alums. With a seating capacity of more than twice the potential which could be seated when the Metro Conference closed out its season a year ago, the Warrior field will seat 12,500 football enthusiasts. As an opening night treat, residents of the area will be admitted to the scrimmage without charge. In addition to the new seats, the stadium boasts

new public accommodations and a new seating policy. Reserved seats may be purchased by the public a week in advance of any given game through the campus book store. Price for reserved seats will be \$1.50 with general admission seats priced at \$1.25. Students of local high schools producing proper identification cards will be admitted for 50 cents, while children under 12 may gain admittance for 25 cents. Still at home in the expanded facilities will be the 34-man Alum squad under tutelage this year of the ECC-UCLA grid star, Preston Dills.

**ESTIMATED INCOME TAX**

Taxpayers paying estimated income tax are, according to District Director R. A. Riddell of the Internal Revenue Service office in Los Angeles, required to pay their third installment of tax due on 1963 estimated income by September 16, 1963.

If the income expected to be earned during 1963 has changed, taxpayers may be required to file an amended declaration of estimated tax. A blank form for use as an amended return is printed

on the back of the bill which taxpayers receive for an installment of estimated tax, Mr. Riddell pointed out.

If you have any questions on Estimated Tax, telephone your local Internal Revenue office.
