ACRILAN
*Acrylic fiber by Chemstrand

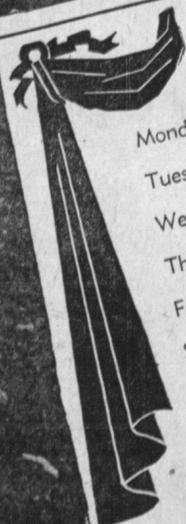

COME SEE THE NEW ACRILAN CARPET IN ACTION. See how it bounces back from furniture and foot-marks! See how it repels stains! See how easily it cleans! See how the color, the texture, the twist are all untouched by repeated cleanings! ACRILAN, a "wool-like" scienced fiber, adds contemporary performance to the look, the feel, the beauty and richness of finest traditional carpets. Moth and mildew proof, non-allergenic ACRILAN capitalizes upon the superior qualities in this exciting new random textured cut and loop pile carpet in fashion colors. An exclusive new dye process insures colorfastness to strongest sunlight and repeated cleanings. Exclusive new double backing adds greater cushion, prevents stretching or shrinking. See demonstrated in our carpet department these superior features and other beautiful ACRILAN carpets.

- Extremely resilient — bounces back from heaviest traffic
- Wears as well or better than the finest conventional fibers
- High soil resistance — stubborn stains wash right out with detergent suds
