Republican Office to Open Here

A new Republican campaign headquarters office will be opened Saturday afternoon in Palos Verdes Plaza, at 425 Via Corta, by the Palos Verdes Peninsula Republican Women, Federated, and the Palos Verdes Young Republicans club.

Mrs. Nelle Spencer, Rolling Hills, and Jim Ashby, Palos Verdes Estates, co-chairmen, are in charge of the event. Refreshments and entertainment are planned from 1-5 p.m. The "Patriots Four," a "string-and-sing" group from Palos Verdes and Rolling Hills high schools will provide music.

A deputy registrar will be on hand to register voters if they have changed their name, address or political affiliation, or have recently reached the age of 21.

Volunteers have been asked to contact the new headquarters which will be open daily.

Area Firm Names New Engineer

Walter G. Wheeler has been appointed director of engineering for Sheridan-Gray, Inc., 24701 Crenshaw Blvd.

Wheeler served as chief engineer for Hufford Machine Works, now a division of Lear Siegler, Inc., for 17 years before joining Sheridan-Gray. He is a graduate of California Institute of Technology and a licensed professional engineer in California.

Landon R. Gray, president of the Torrance firm, said, "The appointment is one of great significance to the aircraft and automotive industries because of Wheeler's wealth of experience in stretch forming and related processes."

Funds Marked

A construction allocation of \$10,211,000 has been approved for the California State College at Palos Verdes. The funds, part of the \$380 million state bond issue which is on the November ballot, were tentatively allocated by the State College Board of Trustees last week.
