

## Goldwater Group Sets Bake Sale

Things will be sweet and sunny at the Goldwater Headquarters in Torrance Saturday. The occasion is the headquarters' bake sale, being held from 9 a.m. to 9 p.m. to raise funds to pay the expenses of the Goldwater campaign in and around Torrance. All bake goods to be sold have been donated by volunteers who will be baking the

goodies especially for the sale. Cakes, cookies, pastries, doughnuts, and other bake goods will be on sale.

**THE VOLUNTEERS** will begin delivering the fresh goods to the headquarters at 8 a.m. to insure that everything is fresh. The headquarters is located at 1323 El Prado in downtown Torrance.

John Wren, Torrance Goldwater committee chairman, said the group will hold a car wash within the next few weeks. Stickers for the car wash may be purchased from the headquarters.

**WREN ALSO** said a Torrance Teen-Agers for Goldwater was recently formed, with Richard Tierman serving as temporary chairman. The group will elect permanent officers at the next meetings.

Volunteers to work in the headquarters and in the precinct organization are needed, said Wren. Prospective volunteers may call the headquarters at FA 0-1964 or FA 0-1776.

## Nelson Gets Citation at Mobil Oil

A native of Brooklyn, New York, Nelson came to work for Mobil as oil cost clerk in the Los Angeles office, after working as accountant and auditor in New York from 1920 to 1924. He served in various capacities in the accounting department before he was transferred to Torrance in 1942.

He has bought a home in Southern Oregon, where he and Mrs. Nelson plan to settle after his retirement.

The best time for visual care of children is early in the pre-school years (3-6 years) when eye defects can still be corrected with best results, says the National Society for the Prevention of Blindness, Inc.

## Bringing Up Baby.

**HINTS COLLECTED BY MRS. DAN BERBER, MOTHER OF 5**

When your baby begins to creep he may rebel a bit at the playpen but there will still be times when you'll want baby to stay put. How to keep your scotch about happy after he's had a taste of freedom? These tips may be helpful:

- **Time element.** If you reserve ten times for baby's most contented times, he probably won't resent it.
- **Toy trickery.** A few different toys for each session help keep baby's "housing development" an interesting place to come home to. A covered saucerpan with a Gerber Teething Biscuit inside adds a nice surprise.
- **Position counts.** By placing the pen where baby can watch your comings and goings, he won't feel neglected.

Made from special cuts selected by Armour, these quality meats are low in fat for easy digestibility... ready on true-meat flavors for ready acceptability, 9 varieties... 5 junior meats for tots with teeth.

**Safety measures for fourwalkers.** Creepers make a beeline for bright objects so be sure to scan the floor for pins, buttons, etc. Iron and toaster cords should not be left a-dangle. Floor fans or heaters are a hazard.

**Sunny-side up for creepers,** lap-sitters or high-chair heroes and heroines. Gerber Strained Egg Yolks are bright as a splash of sunshine... have a delicate, fresh-egg flavor and creamy, custard-like texture that's hard to beat for downright delightful eating. As for nourishment, Gerber Egg Yolks are high in vitamin A, rich in iron and a good source of protein. Gerber® Baby Foods, Box 72, Fremont, Michigan.

**Meat of the matter.** A baby with crawl privileges needs protein to help develop those muscles he's using more and more. Gerber Strained Meats provide protein in the smoothest form that ever summoned up a baby's smile.
