

40 YEARS OF SERVICE
 ... Cort Lowerson, Gardena, was honored recently by Southern California Edison Co., for 40 years of service with the firm. He was presented with a service pin with four diamonds to mark the occasion. Lowerson is a member of the Institute of Electronic and Electrical Engineers and the Pacific Coast Electrical Association.

Area Parks Set Events For Week

Special events have been planned at city parks and playgrounds during the next week, according to the Torrance Recreation Department. They are:

El Retiro Park: A children's checker tourney started Monday and will run through Friday.

Guenser Park, 17800 Gramercy Place: A Spanish-Gypsy cook-out and campfire is planned from 5-7 p.m. tomorrow. Recreation leaders have asked children to bring one item of canned food to be used in the cook-out.

McMaster Park: A free spaghetti dinner will be held at 2 p.m. tomorrow along with a carnival. There will be a small charge for participation at the food and game booths.

Towers Playground, 5600 Towers: A pet fair will be held at 1 p.m. Friday. Children may enter live and stuffed pet animals in the two divisions.

Paradise Park: A hike is planned to La Romeria Park starting at 1 p.m. Friday. A popcorn sale will be held at 12:30 and movies shown at 1:30 p.m.

Walteria Park, 3855 W. 242nd St.: A "tiny tots" program will be held on Tuesday. Children should bring a sack lunch and punch will be provided.

Heart Fund Collections Go to County

More than \$625,000 from Heart Fund collections have been allocated this year for Heart Research in Los Angeles County, the fastest growing Heart Research Center in the United States.

"Thirty-four research scientists will share the \$384,131 designated by the Los Angeles County Heart Association," announced the Heart Association's Research Committee Chairman, Dr. Eugene Temkin, at a recent news conference.

"The difference, about \$241,000, has been allocated by the American and other heart association to local researchers. This tops by more than \$100,000 the half million dollars invested in Heart Research last year."
