

REGISTRATION WEEK . . . Mayor Albert Isen is pictured here as he signed a proclamation setting aside the period from Sept. 1 to 9 as "Torrance Total Registration Week." With him are Mrs. Louis Lanzer, president of the Torrance League of Women Voters, and Mrs. Irwin Boxer, voters service chairman for the league. The final day for registering in order to vote in the November elections is Sept. 10. (Press-Herald Photo)

Voters Must Register By Sept. 10 Deadline

An estimated 14,000 Torrance residents of voting age will forfeit their rights in November unless they register or re-register before Sept. 10, according to Mrs. Irwin W. Boxer, voters service chairman for the Torrance League of Women Voters.

Mayor Albert Isen has proclaimed the period from Sept. 1 to Sept. 9 as "Torrance Total Registration Week" and urged all citizens of voting age to make sure they are registered.

City Clerk Vernon W. Coil has announced that deputy registrars will be on duty at the City Hall each week day from 8 a.m. until 5 p.m. through the Sept. 10 registration deadline.

Complete lists of deputy registrars residing in Torrance will be posted at the libraries, Mrs. Boxer said.

NEW RESIDENTS who do not meet all requirements to register for residence in the state may register and vote for president only in November, provided they have been in California at least 54 days prior to Nov. 3. These persons must register at the Los Angeles County Registrar's Office, 808 N. Spring St., Los Angeles.

Voters must have lived in California for one year, in the county for 90 days, and in the precinct for 54 days in order to be eligible to register. Persons who have changed their address since they last registered must re-register.

Why wait? Get the look of tomorrow right now. Don't buy a color set that may soon be obsolete. Get a Motorola Rectangular.

Motorola's exciting Color/65 picture is rectangular, full, bigger, with a natural shape similar to color movies. All other color sets commercially produced in America today use a round tube with the old-fashioned shape of black-and-white tubes of 10 years ago.

Cabinets are trim and slim. They fit closer to the wall than ever before possible with color sets.

The new Motorola Color/65 sets are

available in many fine cabinet designs . . . including decorator sets designed by Drexel exclusively for Motorola. All feature an Automatic Color Indicator Light.

Manufacturer's full year guarantee covers free exchange or repair of any tube or part proven defective in normal use. Arranged through us, labor extra. All sets have hand-wired chassis, hand and dip soldered for high reliability.
