

FRED STROHMENGER  
Joins Cabrillo Board

### Cabrillo Directors Elect One

Fred Strohmenger, executive vice president and managing officer of Cabrillo Savings in Torrance, has been elected to the Cabrillo board of directors.

Announcing the election, Pietro DiCarlo, chairman of the board, said:

"In naming Strohmenger to the board, the directors are giving recognition to the important service he has performed, to Cabrillo Savings and to the community, as this association has grown into a significant factor in the economic progress and development of this area. As a member of the policy-making board, Strohmenger will be in a position to play an even larger part in the continued expansion which we are confident this association will enjoy."

Strohmenger, a resident of Rolling Hills Estates, has been Cabrillo's managing officer since the association opened in 1961. He was previously associated with Great Western Savings and with the Bank of America.
