Examination to Be Held For Coast Guard School

news—Examinations—3/36
The 89th annual competition for entrance to the U. S. Coast Guard Academy will commence with the Dec. 5 administration of the College Entrance Examination Board Tests.

These examinations will be given in over 3,000 test centers.

Appointments as Cadet, United States Coast Guard, are made solely on the basis of competitive examination and prospective adaptability to military life. There are no Congressional appointments or geographical quotas.

An applicant must be a high school senior or graduate, who has reached his 17th but not his 22nd birthday by July 1, 1965. Applicants still in high school must graduate and earn 15 units by June 30, 1965.

The units must include three in English, two in Algebra and one in Plane Geometry.

A portion of each summer at sea, training aboard the bark Eagle and major cutters. Past training cruises have taken the cadets to such ports of call as Oslo, London, Copenhagen, Lisbon and Antwerp.

The Coast Guard is a military service and is one of the five Armed Forces. While history finds the Coast Guard fighting in all of our wars with many recorded deeds of valor, traditionally the service takes its greater pride in peacetime activities.

SEARCH AND Rescue, Law Enforcement, Aids to Navigation, Merchant Marine Safety, Boating Safety, Ocean Weather Stations, International Ice Patrol, and many other duties provide aid and comfort to people of all nations using the air or sea lanes.

For the Academy graduate, postgraduate education is available in such fields as Business Administration, Communications, Civil Engineering, Electronics, Oceanography, Naval Construction, and Marine Engineering.

Postgraduate courses are conducted at advanced military schools and leading universities and colleges throughout the country.

AVIATION is of increasing importance to Coast Guard operations, calling for many young officers to enter this exciting branch of the Coast Guard's organization to prevent disaster on the sea or land, during peace or war.

An information booklet and application forms for entering the Coast Guard Academy may be obtained by writing the Commandant (PTP-2), U. S. Coast Guard, Washington, D. C., 20226.
