

BRYAN HARDWICK
To Debate U. S. Policy

Southeast Asia Topic For Debate

American foreign policy in Southeast Asia, the second of a series of debates on the 1964 political campaign and issues, will match Bryan Hardwick and Dr. Hans Baerwald. Mayor Karl Anderson of Hermosa Beach will moderate.

The debate is one of several being presented by the South Bay Forum, Inc., as part of the "Explorations in to Controversy: Politics '64."

The panel members will meet at the Torrance Recreation Center, 3341 Torrance Blvd., Thursday, Sept. 10. The debate is slated to begin at 7:30 p.m. Individual admissions are \$1 for adults and 50 cents for students. Series tickets are available at reduced prices.

HARDWICK, president of the Peninsula Republican Men's Club, is an advertising and public relations executive. He heads the Peninsula Goldwater for President group, and is active in the Rotary Club, the Peninsula Chamber of Commerce, and an active member of the Southern California Goldwater Speakers Club.

Dr. Baerwald, currently an instructor in political science department at the University of Southern California, is appearing in place of Daniel Weiler of the Rand Corp. Dr. Baerwald has taught at the University of California at Berkeley and at Miami University.

The debate will address itself to the possible courses of action which are open to the United States in Southeast Asia.
