**COCKROACH CONTROL OVERNIGHT**

New product does it! SILOX SUPER X ROACH SHOT. This amazing new chemical developed after many years of research by a leading California university really does the job. Tested in hundreds of homes, housing projects, restaurants, markets, food processing plants and wherever roaches could be found. This amazing new chemical was found to be 100% effective and furthermore, because of the physical-chemical action, roaches cannot develop resistance to it. Permanently effective once applied! SILOX SUPER X ROACH SHOT completely eradicates cockroaches—also prevents reinfestation. Because it is non-toxic to humans and warm blooded animals when used as directed, SILOX SUPER X ROACH SHOT is ideal for use anywhere in the home.

In markets, restaurants, bakeries and other business places where roaches are a problem SILOX SUPER X really pays off—eliminating costly labor services and expensive call backs — does not stain and will not damage material of any kind.

Escorted to the altar by her brother, Alberto Alsina, the bride wore a long silk organza gown with train, detailed with a square scalloped embroidered neckline, and long pointed sleeves. An organza floral headpiece held her full length bridal veil sent from Paris. Her bouquet, also sent from Paris, was made of handmade roses and lace.

Miss Joan Maldonado, in pastel blue silk organza and carrying blue carnations, was the maid of honor. Bridesmaids were Misses Sakae Ichikawa, Renie Wong and Pearl Wong. They wore pale pink satin gowns and carried pink carnation bouquets.

Susan Kohl, in pastel pink satin and carrying a basket of carnations, was the flower girl. Daniel Carr was best man and ushers were Gary Harrington and Alessandro Canton.

Following the marriage, a reception was held in the St. James Parish Hall. A honeymoon was spent in the High Sierras.

The bride attended El Camino College as an exchange student from Barcelona, Spain.

Her husband is a graduate of the Northrop Institute of Technology and is now employed in aircraft work.
