

Ann Landers

(Continued from Page 9)
You should know that, too. Give your fiancé 10 days to return the engagement ring—or tell you on what day you are going to put a plain gold band next to it.

Dear Ann Landers: I started to go with Peggy last year. She is a wonderful girl and has done a lot for me. I wanted to quit high school but she made me see what a terrible mistake that would be. So I stuck with it and graduated.

Yesterday Peggy called me at work—something she doesn't do very often. She was very hurt and asked me to return the framed picture she gave me for Valentine's Day. Peggy said she saw me riding around during lunch hour with a girl.

Honestly, Ann, that was not a girl, it was a guy I work with. He has one of those Beatle haircuts and was wearing a red plaid shirt. I can understand how she made the mistake.

I offered to bring the guy over and prove it to her but she said, "Don't bother."

If you can help me I would appreciate it.—SANDY

Dear Sandy: I can't understand why she doesn't believe you. Today the girls look like boys and the boys don't look like their fathers anymore... they look like their mothers.

I hope Peggy will reconsider. She sounds like a fine person and it would be a shame to lose her when you are innocent of the charge.

Confidential to WORRIED PLENTY: How on earth would I know? Go to a doctor, for heaven's sake.

Do you lean on cigarettes as a social crutch? You may regret it later. Send for ANY LANDERS' booklet, "Teen-age Smoking," enclosing with your request five in coin and a long, self-addressed, stamped envelope. Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper enclosing a stamped, self-addressed envelope.
