Post Office Readies for Christmas

Longer post office window hours, expanded delivery services, and large-scale extension of the ZIP-coded parcel post speedup are planned for Christmas, according to Mrs. Clara Conner, Torrance postmaster.

Mrs. Conner said Postmaster General John A. Gronski had advised her that for steps have been taken provide "for the best Christmas mail service the Post Service has ever had."

Expanded window hours will be in effect Dec. 5, 26, as required under the conditions. A six-day window for parcel post deliveries will be effective Dec. 7 and 31.

A November completion date has been set for Phase III of the ZIP code plan handling through the establishment of regional centers. The "sectional centers" provide speedups of up to hours and more for ZIP-coded parcels.
