United Crusade Leaders Building Campaign Team

"It has been difficult to obtain volunteers," Mrs. Uyeda said. "I'm trying to locate all the help I possibly can. People have got to realize that the United Crusade affects Torrance in particular, not just Los Angeles County in general."

With these words, Mrs. Kenneth Uyeda, the Torrance residential chairman for the forthcoming United Crusade appeal summed up the situation as she geared her organization for the forthcoming kickoff.

The residential campaign is scheduled to open during the first week in October in Torrance.

The United Crusade was formed earlier this year when officials of United Way Inc., and 13 chapters of the American Red Cross joined to form one joint, annual appeal.

UNITED WAY, INC., was formed last year, combining 33 community chests and united funds which offer more than 300 services to residents of the county.

Mrs. Uyeda has served for more than 10 years with the community chest, and last year, United Way, Inc. In addition, she is a veteran of eight Red Cross campaigns. She has served both organizations as a unit or section

chairman. For the past three years she has served on the Torrance Red Cross board of directors. Mrs. Uyeda and her husband, Kenneth, reside at 18335 S. Western Ave., with their two children.

Area chairmen under Mrs. Uyeda are: Mrs. Robert Sullivan, 445 Calle Mayor, southern; Mrs. Stanley Heiman, 1527 El Prado, central; and Mrs. Florence Ono, 2110 W. 176th St., northern.

Religious Release Program Approved for Area Schools

Parents who wish their children released from school for religious instruction may do so beginning next week, according to Miss Irene Mills, Interfaith Representative for the Religious Release Time program.

Elementary school children will bring home forms during the early part of the week for parents to complete if they desire religious instruction. The program has the approval of the Board of Education. The Roman Catholic and Evangelical Protestant classes have been established. Times have been agreed upon by the principal and the Religious

Release Time program representatives.

Students in the fourth, fifth, and sixth grades may participate in the program with the approval of their parents.

NHS Principal Joins Committee

Dr. Richard D. Guengerich, principal of North High School, Torrance, will serve as a representative of the Accrediting Commission for Secondary Schools when the group's visiting committee evaluates Fullerton Union High School in March.

B'nai B'rith Group to Meet

Harold Harris, one of the club's temporary officers, said new members who attend the Thursday meeting will be charter members of the lodge.
