

Latin Club Convention Plans Made

Chris Hunt, a junior at Bishop Montgomery High and Sister Catherine Louis, CSJ, left Torrance Friday for Fresno to make plans for the coming Junior Classical League state convention.

Miss Hunt is JCL state historian. Sister Catherine Louise is moderator of the Montgomery Latin Club and a member of the executive board for the state organization.

All state officers, their moderators, and members of the executive board met yesterday at the McLane Public High School to plan the state convention. The convention will be held in March at Fresno.

Last year, the convention was held at Mira Costa High School in Manhattan Beach. Patty Scott, then state vice president, represented Bishop Montgomery.

Blind Youths Need Ride to Foundation

Volunteers to drive blind children to the Foundation for the Junior Blind in Los Angeles are desperately needed according to Norman Kaplan, executive director of the foundation.

"There are many blind children in the area who would like to use the foundation's facilities but have no way of getting here," he said.

Transportation is needed on Fridays and/or Saturdays and volunteers are under no obligation to give assistance a set number of times. Once a week, once a month, or even once every other month is a help according to Kaplan.

The foundation is located at 5300 Angeles Vista Blvd., between Crenshaw and La Brea, off Slauson. More information is available at AX 5-4555.
