Cub Pack 755

Den 5 opened the September meeting of Cub Pack 755 with the flag salute. Pack sponsor is 223rd Street School.

Robert Dietz, assistant cubmaster, presented awards to the following cubs: Danny Carlos, one silver arrow; Robert Dewit, one-year pin; Ricky Root, Lion badge, one gold and four silver arrows; Wally Rogers, asst. denner bars; Kenneth Dietz, asst. denner bar; John Rode, three silver arrows; and Trinidad Gomez, three silver arrows.

Den two won the inspection hatchet and Den 5 the parent pennant. Den 1 presented two skits under the leadership of JoAnn Hober, den mother, and refreshments were served by Den 1 and parents.

Scout Day, Oct. 17, and skating were discussed as possible future outings.

Cub Pack 730-C

Highlight of the meeting of Cub Scout Pack 730-C was a talk on fire prevention by Inspector Palumbo of the Torrance Fire Department.

Inducted into the troop by Herb Bayles, committee chairman, were the following bobcats: Greg Bebeck, Donald Bayles, Richard Kamins, Perry Launsberg and Brian Ramsey.

New Webelo Den members inducted were: Dennis Armstrong, Timmy Welfare and Tommy Niswonger.

Bids Slated On Victoria Golf Course

Equivalent bids for the 18-hole golf course at Victoria Regional Park have been advertised by the Board of Supervisors.

Included in the development will be a driving range, two practice putting greens and parking space for 232 cars. The golf course will be developed on 177 acres of land.

"We need more golf courses in Los Angeles because each one is self-sufficient, paying for itself from green fees while meeting the recreational needs of the community," stated Supervisor Kenneth Hahn.

After the bids are checked, final plans and specifications will be drawn. Victoria Park is at 191st Street and Towne Avenue.

Winners of Safety Art Announced

Winners of the Safety Poster Contest held at the Joslyn Recreation Center have been announced by Jim Becker, contest chairman, and Mrs. Eva Bisou, Safety Council chairman.

In the 6- to 8-year division Michael Maey took first place, with Vickie Shigekuni second, and Annette Brown third. Winners in the 9- to 12-year category were: Isabel Korn, first; Lee Downs, second, and Frank Dooney, third.

The contest was sponsored by the Torrance Recreation Department and the Torrance Safety Council.

WHAT ARE THE TEAMSTERS' DEMANDS?
 The Teamster already is one of the highest paid workers in the Nation. He earns from \$9,300 to \$10,500 for benefits than the average driver can ever remember. Now Teamsters want increases that are so unreasonable as to be completely fantastic. They want dozens of specific bonus arrangements that virtually no other group of employees receive or expect.
 They want to choose what part of the warehouse they will work in.
 They want to tell us which routes they will drive.
 They want paid holidays on their birthdays.
 They want to extend the present three-week vacation limitation to four weeks.
 They want a pay raise of nearly 15%.
 We are willing to grant such unusual requests as paid care, and as much as \$150 a month in hospital and medical prescriptions, almost 100% medical and hospital simply can't give up control of our business nor do we want to see the price of food unjustifiably increased. We're doing everything legally possible to see that your family has the food it needs. We urge your continued patronage. Your co-operation will make it possible for us and the entire grocery industry to continue to offer top quality products at the same low prices.
