

Cees Set For Big Decider

When Torrance and West High clash in their Pioneer League Class "C" football game next Thursday it may well decide the championship. Both have won two league games while each of the remaining four teams have dropped at least one game. Terry Gasset and John Billings accounted for all the scoring in Torrance's 14-0 win over Lawndale last Thursday. Dave Ciscel tallied for West in a 7-0 win over Lennox. Joe Pryor set up the touchdown with a 50 yard gallop. Aviation, beaten by West, 6-0, two weeks ago, has since won two games, whipping El Segundo, 19-13 this week.

South Sweeps

Fox Sets Course Record

Wes Fox, stalwart first man on the Spartan Cross Country team, set a new record for the hilly South High course Tuesday afternoon while leading his teammates to a double victory over Torrance High and Long Beach Wilson.

South defeated Wilson 26-29 (low score wins) and gave the Tartars a 15-49 beating. Scoring in the triangular meet gave South 26, Long Beach Wilson 29, and the Tartars 82.

The first Torrance man finished in the 14th slot with a time of 14 minutes flat.

FOX RAN the distance in 11 minutes and 50 seconds for his new record. He held the old course record of 11:51, set last year. In the junior varsity race, South claimed a 22-36 victory over Wilson and a 15-49 win over the Tartars. The Spartan freshman-sophomore team defeated Wilson, 19-45.

Torrance did not compete in the novice division. Mike Mooring of South led all runners in the jayvee race, cutting the tape in 12:46. Freshman George Watson ran the course in 13:27.

Basketball, Volleyball Program Set

Oldtime basketball players, who have lost some of the old zip and fire from their school playing days, but still retain the urge to try out the faithful old "shooting eye," are invited to try "Amble Basketball." The Torrance Recreation Department has rules designed to take most of the hard running out of the regular game by foiling the fast break, according to Elmer "Red" Moon, adult athletic supervisor. He dreamed up the rules of the game. Leagues play in the Torrance High School boys' gymnasium on Wednesday evenings. Also on tap for the fall and winter adult sports program are proposed leagues in basketball played under conventional rules, and volleyball. Each of the four high school gymnasium facilities in Torrance will be utilized for the various participating leagues. Present plans are for the Church League on Monday nights and an Industrial league on Thursdays at North High.

An Open league at South High on Tuesdays, volleyball at West on Tuesdays are planned, Tuesdays and Thursdays at Torrance High are reserved for an Open League team managers or individual players by contacting Moon at the Recreation Office, Phone FAirfax 8-5310, Extension 263. Why Pay Twice?

It would cost Californians over \$300,000,000 in additional social security taxes for the proposed federal "medicare" plan—where medical care programs are already provided for those over 65

The physicians of California consistently have maintained that adequate medical care should be available to all people of this State, regardless of race, creed, color or financial status.

For those over age 65 in California, health care is provided in many ways. There are medical insurance programs which can be bought independently at reasonable cost. Other private and public programs are available where extensive medical costs would be a hardship.

The recent Kerr-Mills law, for example, enables California to provide broad benefits to those over 65 who might have difficulty in meeting the expenses of prolonged illness. With its full application in this State, as urged by California physicians, the Kerr-Mills law would be even more effective in covering physician, hospital, nursing home, drug and dental needs.

No better care for the elderly will be provided by taking an additional \$300,000,000 in "medicare" social security taxes out of your pockets, when health care programs are presently available.
