

### Parent-Teacher Conferences Under Way in City's Schools

Parents of more than 23,000 elementary school students are now attending conferences with teachers to discuss their children's progress. Individual parent conferences are held twice each year at the elementary schools, Dr. Posner said. The superintendent of schools for instruction, reports.

conferences give parents and teachers an opportunity to discuss grades, study habits, and other aspects of school. Last year, 21,465 parents, representing about 95 percent of the elementary school enrollment, attended conferences.

### Coed Honored In Competition

Joan Ruth of 3509 W. 185 St. was among eight students at California State College at Long Beach to win honors at Northern California Intercollegiate Forensic Assn. tournaments.

Miss Ruth received an excellent rating at the University of California at Santa Barbara Invitational Debate Tournament.

### Area Students Will Get First Long Weekend

Torrance students will get their first long weekend of the school year next week when the schools close their doors for the Thanksgiving recess.

No classes will meet Thursday or Friday, Dr. J. H. Hull, superintendent of schools, said.

Schools will close Dec. 21 for the Christmas holidays and re-open Monday, Jan. 4, 1965.

### Firms' Bids Take Awards On Contracts

Two Torrance firms were among successful bidders on 47 contracts awarded by government purchasing agencies during the month of October.

Keith and Keith Contractors contracted to replace windbreaks for the sum of \$2,470 and Sharpe and Fellows to install railroad track for the sum of \$11,773.

Awards were made by military and civilian purchasing agencies of the government in cooperation with the U. S. Small Business Administration.
