

**General Telephone To Expand**

Expansion and improvement in figures totaling more than \$7 million are planned by the General Telephone Co., in the South Bay, according to Bernard Le Baron, division manager for the utility. The local division of the company includes El Nido, Palos Verdes, Redondo Beach and Rolling Hills central offices and serves more than 102,000 telephones.

"Major item in the 1965 budget is \$2,200,000 for telephones and associated equipment," Le Baron indicated. Other expenditures will be made for outside plant, including poles, wire and cable, amounting to more than \$2 million while a similar amount will be spent for central office equipment, working tools, vehicles, and miscellaneous equipment will total almost \$600,000.

The South Bay division gained about 7,000 telephones during the past year and the company expects to add almost 8,000 during 1965.

The total company-wide investment by General Telephone Co. of California for 1965 will be approximately \$118 million, representing the largest expansion program in the utility's history, according to Parker Sullivan, president.

**Playmakers Begin New Production**

Ken Sutton, president of the Gardena Valley Playmakers, will direct "Born Yesterday," next production of the Gardena chartered theater group.

CASTING for the new production began last night and will continue this evening at the Rowley Recreation Center, 13220 S. Van Ness Ave. Auditions will be held for all roles.

Rehearsals for "Born Yesterday" will begin as soon as casting has been completed, Sutton said. The play is scheduled for a March 5 opening night and will run for four weekends.

Sutton directed "Separate Tables" for the Palos Verdes Playhouse last spring and has appeared with Michael Redgrave, Flora Robson, and Julie Harris in "Macbeth," as well as in several motion pictures. He recently portrayed Robert Browning in "The Barretts of Wimpole Street" in Long Beach.
