Lesson on 'Christ' Set For Sunday

The lesson-sermon to be read in Christian Science services Sunday will underscore the need for people today to demonstrate the power and practicality of Christ Jesus' teachings. Passages from the Bible and the Christian Science textbook on "Christ Jesus" will include his promise as recorded by the Apostle John: "Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also" (John 14:12). Related readings will contain the following lines from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, the Discoverer and Founder of Christian Science: "My weary hope tries to realize that happy day, when man shall recognize the Science of Christ and love his neighbor as himself. . . when he shall realize God's omnipotence and the healing power of the divine Love in what it has done and is doing for mankind. . . The purpose of his (Jesus') great life-work extends through time and includes universal humanity."
