ELECTRONIC TEACHER . . . Electronics is invading the classroom and they will help teachers help students even more in the future. Here, a language class prepares to listen to a daily lesson which will be played on a tape recorder. Students have individual earphones. The machines are being used for math, language, speech, and even art lessons. Torrancia schools have pioneered in the use of electronic equipment in the classroom.

Annual Breakfast Honors School District Employees

Nearly 1,000 years of service to education will be honored Tuesday, Sept. 14, when pins are presented to all Torrancia Unified School District employees who have served 10 years.

A special recognition breakfast will be held at 8 a.m. at the South High School cafeteria for 93 members of the school district staff. Included are 71 teachers and administrators and 22 non-teaching employees who have served for a decade. There are 53 women and 40 men.

Bus Center Established At Narbonne

Special bus information centers for the convenience of parents whose children will be attending a Los Angeles city school will be opened today, Randall Davis, city schools' transportation director, has announced.

Parents are urged by Davis to check as early as possible to see if their youngsters qualify for a six-day period preceding the Sept. 13 opening date for the Los Angeles City Schools. The information centers will be closed on Labor Day, Sept. 6, and on Admission Day, Sept. 9.

After school opens all bus information will be given at individual schools, Davis said.

Information which the driver provides will relate to areas to be served, routes, time schedules, and other general school transportation problems.

The harbor district center is located at Narbonne High School. Head driver Thomas Waller may be telephoned at DA 5-1673. The center serves all elementary, junior high, and high schools in the southwest section.
