## Heart Meeting To Open Today

Latest medical research findings and their applications in halting and conquering heart and circulatory disorders will be discussed at the annual Los Angeles County Heart Association Symposium.

Dr. Richard J. Lescoe, professional education chairman of the Heart Association's Southwestern Branch, Lawndale, explained that clinical use of research findings in heart, lung and circulatory disorders will be the main topic at the Heart Association's 34th Annual Fall Symposium to be held today and tomorrow at the Statler Hilton Hotel in Los Angeles.
