Freedom Shrine Planned

A Freedom Shrine containing 28 historic American documents, will be added to Bishop Montgomery High School, according to the Rev. Aloysius Romanowski, OFM Conv., boys' vice principal.

Documents to be included in the Freedom Shrine will cover American history through several wars and twelve amendments to the United States Constitution. The series of documents begins with the first draft of the Declaration of Independence and ends with the surrender of Japan at the end of World War II.

The Rev. Romanowski said the documents are exact reproductions of the originals. Five of the printed texts are not available to the public elsewhere, he added.

HOMES PLANNED

Palos Verdes Properties and SoCaland Corp. have received approval of plans to subdivide a 16-acre tract at Crest Road and Crenshaw Boulevard. The subdivision will include 53 single-family lots.
