

### Spartans Sneak

By Norma Burkus

It looks as though the seniors' consistent boasting has not been in vain! They have outdone themselves on the PTA Drive, obtaining a total of 120 per cent membership from their class. Many envious eyes will be looking on as they march into the gym for a popular movie and free popcorn (during class time, naturally.) Congratulations, seniors.

Don't drop that ice cream stick! Be with it this week and keep in step with the "Clean Campus Campaign" sponsored by Boys League. Make the Spartan campus sparkle, and show the visiting North Saxons the pride we hold for our school.

Linda Hoover, commissioner of publicity has formed a poster committee open to all Spartans. If you wish to develop and display your artistic talents, sign up in the Activities Office and keep your ears tuned for bulletin notices.

and Flag Team will be traveling to USC Saturday, Nov. 13, to participate in the halftime activities during the annual High School Band Day program. This is a great experience for the Spartans and we are honored to be a part of this activity.

Football will reign as the main activity for all Spartans Friday. During the day the Powder Puff game will be held featuring the Council girls vs. the Pep Squad girls. Then, that night, fingernail chewing will preside up in the stands, as the girls watch the Homecoming Escorts battling it out with the North High Saxons.

AT THIS time I wish a "warm welcome back" to South High Alumni. I hope your Homecoming Dance will remind you of your high school days and bring back fond memories.

That's the news from South High... See you next week.

### Tartar Teen Talk

By Julia Takayama

This week I'd like to introduce you to an organization designed to promote communications between school clubs and the student government. The Torrance High Inter-Club Council is made up of a representative from each language or club on campus. Meeting on Wednesdays after school, this group discusses plans to foster support of activities and larger memberships.

The commissioner of group control presides as chairman. This semester Cathy Yurkovich holds this post.

THURSDAY the Top 15 Homecoming Finalist Tea was held. At this time the 15 finalists received silver charms in honor of their nomination. The tea was also attended by the finalists' mothers, members of the Student Council, and members of the administration. Today the Queen and her Court were selected by the student body. Results were not available for this column.

This year's Tartar Band under the direction of Robert Webber and drum major Bill

Michelson, has expanded to 92 members. It includes many veteran musicians, and their half-time shows exhibit perfectly executed drills. So, to quote a cheer, "We got the band on our side, and they're grrrrreat."

THE TORRANCE High chapter of the California Scholarship Federation has elected new officers for the semester. The new president is Jim Crockett, Senior government teacher James Starnard is the sponsor of this organization.

The Sky League Playday hosted by the THS Girls Athletic Association last week was a whopping success. The six Sky League schools competed in the volleyball tournament with Beverly Hills winning first place. THS graduates acted as officials for this event. After the games, refreshments and entertainment were provided for the 300 tired girls. The theme of the day was "Halloween in the Sky." Congratulations to the GAA for a job well done.

LAST WEEK the Tartars were treated to an enlightening lecture by George Velliot. He spoke to us about the tactics used by Communist propagandists. His shocking approach led us to become more aware of the doctrine of the Communists. R. Lee Miller, junior class president for this semester, informs me that the Junior-Senior Prom will be held April 29 at the International Hotel. Hard work by the junior class is making it possible to have the prom at this location.

The player of the week for the Culver City game was Terry Tiedeman. See you next week.

### Local Resident To Manage Bank

Kenneth Durian of Torrance has been named manager of the new Dominguez Hills branch of Bank of America, it was announced in Los Angeles yesterday. Durian, who has been operations officer of the Lawndale branch of the bank began his banking career as a teller in 1951.

Durian and his wife, Joan, have four children: Barbara, 13; Diane, 11; Linda, 7; and Scott, 5.
