

Hahn Seeks Signal at El Camino

Supervisor Kenneth Lahn has urged installation of a traffic signal on Crenshaw Boulevard between Redondo Beach and Manhattan Beach boulevards in front of El Camino College.

In asking the County Road Department to install the signals, Hahn stipulated that it be a stop light to bring traffic on Crenshaw to a complete stop so students may cross.

The supervisor acted at the request of Dr. Stuart F. Marsee, president of El Camino College.

Hahn said the signal would replace a yellow flashing warning light at the crosswalk to provide the most protection possible for students, faculty, and visitors at El Camino College.

POPULAR FEATURE... Lines above indicate the popularity of Leonards Tuesday morning "Show Day" at United Artists Torrance Theater. A large crowd is already waiting before the doors open at 9:30 a.m. each Tuesday.

Tuesday 'Show Day' Called Big Success

Leonards Tuesday morning "Show Day" at Torrance United Artist theater has proved a tremendous success with nearly 600 ladies taking

advantage of the giant "coffee break" each week.

In addition to the "break" in household routine, the guests enjoy free coffee and donuts, a major studio feature film, and have a chance to win one of the 20 free bags of groceries or over 20 other door prizes given away every Tuesday morning.

DEPOSITING STUBS... Ticket stubs are deposited in a bowl by ladies attending the Leonards Tuesday morning "Show Day" feature. Those attending the show may win any of a number of awards, including groceries, gifts, and restaurant luncheons.

Conference Sessions To Begin

Parents of more than 24,000 Torrance elementary school students will attend conferences with their children's teachers in the next two weeks.

Feeling that the ladies deserve quality entertainment and prizes Leonards is featuring top grade films this year. Some recent ones have been "The Cardinal" and "Advice and Consent." Coming sometime this season are "The L Slaped Room" and "Under the Yum Yum Tree." Prizes have included 6-transistor radios, ladies' shifts, and certificates for free shampoo and set in Leonards Beauty Salon.

Discussions of students' progress to date will start Monday and continue through Nov. 30. Report cards will be issued Friday.

A. Pesly, manager of Leonards Torrance Store, and Ed Dier, theater manager, wish to extend invitations to all area homemakers, but seating capacity is limited and tickets for this most popular free event at United Artist Theater should be obtained well before Tuesdays in the grocery department of Leonards.

Individual parent conferences are held twice each year at the elementary schools, according to Dr. Albert Posner, assistant superintendent of education. The conferences give parents and teachers an opportunity to discuss grades, study habits, and other aspect of school.

Last year more than 20,000 parents participated in conferences.

In addition to individual conferences, group conferences are held at the beginning of the school year at both the elementary and high school level.

Dr. Posner said teachers are ready to schedule additional conferences at any time throughout the year upon request.
