... Champs

(Continued from page D-1) runners, with three running in the top 10 — an unheard of feat in a CIF race.

If Holte attributed the win to his team, the team was equally sure Holte had won the title for them. "He's the greatest coach I've ever known," was a popular comment by the seven varsity runners.

How does the team feel about the victory now? "It is just great," Bob Clark said. "All the work was worth it."

Tom Johnston, the fifth man for West, said he was tired. "I hurt," Johnston added, "but I couldn't see Bill (Franz) behind me, so I knew I had to get there."

Franz was behind Johnston — in 36th position. Franz said he had only one thing on his mind — beating Johnston.

Senior Dale Nelms, the anchor man for West, did not finish in the scoring. Nelms, in fact, fell in the early part of the race, but got up quickly and completed the race. He called the victory a "real team effort."

But it was sophomore Tom Purkey, the third man in the lineup, who had the last word.

Winter Racing Season Begins at Ascot Park

Open stock car racing competition, plus complete destruction derbies, inaugurate a winter-season-long series of events Sunday afternoon at Ascot Park. More than 100 cars are expected to be on hand for a doubleheader of action.

Qualifying laps open the gates at 12 p.m., with the first race slated for 2:15 p.m. Spearheading the new Ascot venture is veterans Ronnie Walker of Wilmington, who will serve as racing director.

Walker is the man who carried the ball for the Figure 8's when they first started at Ascot four long years ago.

A host of the top stock car pilots from the Southland already have entered Sunday afternoon's opener. They include Al Knapp and Dan Donovan, Long Beach; Joe

Junior Rose Bowl, Parade Scheduled

With the 20th annual Junior Rose Bowl game due on Saturday, the tempo is picking up in Pasadena.

Coach Bob Baccarini's Henderson County team flew into town yesterday to prepare for the Fullerton game at 1 p.m. Saturday.

The El Camino College band was at the airport to serenade the Texas Junior College Federation champions upon their arrival.

Southland sports writers got their first real look at the Texans this morning at Pasadena City College's Horrell Field.

Meanwhile down at Fullerton Coach Hal Sherbeck has been getting his Hornet team back in shape after a week's layoff to celebrate winning the Eastern Conference title.

Fearful his team might lose its "edge," Sherbeck sent his offensive unit against the defense in a controlled scrimmage and they came out even — one TD apiece. The defense struck first when Dennis Lightner intercepted a Dick Hough pitchout and raced into the end zone.

The offense came right back with what has been the Hornet's favorite weapon the past two years, a Hough to Rich Leon pass. This incidentally, came against a defensive unit which did not allow a touchdown pass all season.
