

Girls Get Lessons in Ping Pong

A table tennis program for girls is available on Mondays from 7 to 9 p.m. at the El Retiro Rotary Youth Building, 126 Vista del Parque.

Objectives of the program are to organize a self-governing club of teenage girls for the playing and training of table tennis, to encourage girls in sports in general and to start a pilot program from which a city-wide league may be launched for inter-club play and rivalry.

Sponsored by the Hollywood Riviera Sportsman's Club in cooperation with the Torrance Recreation Department, the program utilizes the Sportsman's handicap system.

The handicap system is used to challenge even the veteran player and encourage the novice. It will be used, as in golf and bowling,

to insure less experienced players can compete on an equal basis with more experienced players.

To participate, girls must wear tennis or rubber soled shoes. Parents are urged to visit and observe the meetings.

For more information, call Deanna Manning at 328-5310, ext 263.

Lois Stiles is the recreation leader-in-charge, with Alan (Advertisement)
